**GAME RULES**

2. Forfeit time is 5 minutes after game time.
3. Games will be 7 innings **OR** 1 hour and 15 minutes - **Weeknight games will be 1 hour and 10 minutes.**
  - a. No inning may start after 1 hour 15 minutes from game time – **1 hour and 10 minutes for weeknight games.**
  - b. An inning in progress will be completed.
4. All games ending in a tie will be recorded as a half-game win and a half-game loss.
5. Sliding is not allowed. A player who slides will be called "OUT."
6. Players (base runners) may overrun any base provided there is no motion to advance to the following base. A runner returning to a base may also overrun the base if necessary. If a runner overruns second or third base, runner must retag the base before advancing to next base.
7. A defensive player cannot, intentionally or unintentionally, block a base from a runner.
8. Base runner is "OUT" if ball is jarred loose by bumping or physical contact.
9. Base runner is "OUT" if runner is tagged with the ball and the ball is dropped.
10. If base runner touches home plate or the extension mat or runs through the batter's box when scoring a run, the runner is out. However, the catcher on a force play must only play home plate.
11. Once offensive player advancing toward home plate passes the twenty foot line, player cannot retreat to third base but must continue to home with the possibility of being forced out at the plate.
12. Team may have unlimited courtesy runners per inning. Runner may run only once per inning as a courtesy runner. If courtesy runner is on base when it is his or her turn to bat, they will be declared out as a runner, and be removed from the base, so that player may take their turn at bat. A team **cannot** use a courtesy runner for a courtesy runner.
13. Lineups - Managers of both teams should exchange lineups and the umpire must also be given a lineup prior to the start of the game.
14. **When a woman is batting, four (4) outfielders must remain behind the 180 foot arc until the ball is hit (Men's Sunday and Thursday leagues only).** Coed and Women's leagues may use **ONE** rover. If defensive team is playing with nine (9) players, three (3) outfielders must remain behind the 180 foot arc. **Coed Teams playing with 11 player option, must keep four (4) outfielders behind the coed arc until the ball is hit.**
15. **Foul fly balls hit into the tennis courts at Murdy or Edison Parks, onto the Parking lot next to Murdy #1, or onto Golden West, Talbert or over the left field out of play fence on field #8 or into the parking lot at the Sports Complex - batter is OUT.**
16. **For the Sunday Division 4 league (65 plus), each team may have only **ONE** player that is 64 on the roster. This will follow Senior Softball rules regarding age determination (player turns 64 during the current calendar year). Teams must identify this player at the beginning of the season.**
17. **For the Thursday men's league, each team may have only **ONE** player that is 54 on the roster. This will follow Senior Softball rules regarding age determination (player turns 54 during the current calendar year). Teams must identify this player at the beginning of the season.**

## SENIOR SOFTBALL RULES

### Page Three

18. A game will end anytime after five (5) innings when a team is behind fifteen (15) runs and has completed its turn at bat.
19. Players may play for one team only each night/ day of the week.
20. A player must play in at least two (2) of the first seven (7) games in order to participate in the last three games of the season or any playoff games.
21. If a team has eight or nine players, they may add two players for that game. They must bat last and play catcher or right field. One player must come from equivalent or lower league except for the lowest division which may add no more than one player from the next higher division and/ or one from the current division. The added players must be on a Huntington Beach roster and cannot be added after the 5<sup>th</sup> inning begins.
22. Team may score maximum of five (5) runs per inning but if their lead (visiting team) exceeds 15 runs in the last inning, the maximum that can be scored is five (5) runs.
- 23. If the visiting team is up by 10 or more runs when the open inning is declared, the home team will remain at bat and the visiting team will remain in the field.**
24. If there is a play on a base runner going to second or third, the runner should veer right or left off the base to avoid contact with the defensive player. The runner's foot down perpendicular to the base is the same as touching the base.
25. If team forfeits two games during the season, they may be dropped from league.
- 26. Pitching distance will be 50 feet. However, pitchers may use the optional 6' pitcher's box. This area is equal to the 2' width of the pitcher's mound/ plate and extends 6' back from the front of the pitcher's plate. Pitch arc limit will be 12'.**
27. All titanium, multiple wall, shell, sleeve, two-piece, composite bats are illegal in all Huntington Beach slo-pitch recreation leagues and may not exceed 1.20 performance level. **See city banned bat list. All bats must be ASA approved to be used in the league.**
- 28. Leagues will normally consist of six (6) teams and play two (2) complete rounds. Overall season records will determine the league champion and runner-up. League Director reserves the right to have a different league format if necessary.**
- 29. Weeknight leagues will have the option of starting with a 1-1 count for each game – however BOTH teams must agree and the umpire will note the decision on the scorecard.**
30. The three-strike rule will be used.
- 31. Any rostered player listed as a sub on the scorecard can be used as a pinch runner for that game.**

## SPORTSMANSHIP

The umpire is in complete charge of the game. Any undue conduct by players or manager shall necessitate ejection from game and participation. Any player or coach ejected from a game will automatically be suspended for the following game. He will also have to leave the game area. League officials may review the case and issue harsher disciplinary action.

Managers will be responsible for the conduct of their players and will:

1. Do everything possible to assist the umpire in keeping the game conducted in an orderly manner.
2. Be responsible for reviewing league rules and regulations with all team players.

### **PROTESTS**

Should a protest situation arise, the S.C.M.A.F. rule will be used. A written protest must be filed and sent to the league chairperson by next working day along with a \$30 protest fee (if protest is upheld, the fee will be returned). A protest committee will convene and rule on the protest.

### **LEAGUE STANDINGS**

League standings will be determined by the overall win/loss record. If there is a tie for first place in the standings, a one game play-off will be arranged.

### **AWARDS**

Fifteen first place individual awards and first and second place team trophies.

### **ALCOHOL**

Alcohol on the park/ball diamond is prohibited. Managers will be responsible for enforcing this ordinance with players and team spectators.
